## Letter from the Editor:

"Good Morning or Afternoon, I am Mrs. Favro of the Westview Music Supporters' Association etc. . . ." and before I could finish the rest of the sentence the person on the other end would reply "What do you want this time?" The co-operation that I received over the past five years has been good and I want to take this opportunity to say 'THANKS' to each and everyone who has supported us in one way or another. I hope you will continue supporting this association in the future as it is very rewarding to see these young musicians mature and go on to better themselves in their own special field.

Our trips whether short or long are something the music students, teachers and chaperones will never forget. We need not only the support of the music students themselves but of their parents, grandparents, aunts, uncles and all their friends to make these trips possible. The trips really are a reward for a lot of hard work that goes into the planning of our dances, raffles, Monte Carlo night and the Jamboree — which are our main fund raising events.

Many thanks to our Music Directors and the Principal of Westview Centennial Secondary School and all the other departments who have assisted us in many ways.

A message to all —

**"REMEMBER TO SUPPORT THOSE WHO HAVE SUPPORTED US"**

# WESTVIEW CENTENNIAL SECONDARY SCHOOL

Westview Centennial opened in September, 1967 with a student population of 582, and a staff of 52. By September, 1974, the student population had risen to 2,300, and the staff had increased to 137. In the space of seven years Westview jumped from being one of the smallest secondary schools in North York to the largest.

The curriculum at Westview offers 268 different subject choices at the enriched, advanced, general and basic levels. Programs include academic, technical, commercial and vocational courses.

During these years of rapid growth, Westview quickly established some traditions and accomplished some remarkable successes. Foremost among these were a number of musical tours of Great Britain, the Maritimes, New York and Austria; winning the Ontario Soccer Championship; winning several Kiwanis Music "firsts" and the Canadian Stage Band Festival; winning the North York Football championship; Westview's own home-made musicals such as "ROAR" and "The Great Canadian Uproar", and more recently, Broadway productions of "Kiss Me Kate" and "Anything Goes".

All of these accomplishments have helped to make Westview a people-oriented place, a human place, which in spite of its size, still emphasizes staff-student relationships.

In summary, Westview has literally leaped into existence. It has been, and is continuing to be a cultural and recreational centre for a new and growing community. It has always had students representing a wide range of academic pursuits. One of its prime aims has been to attempt to meet the needs of the students in the Downsview community of Metropolitan Toronto.

A. F. Bell,  
Principal.

# WESTVIEW'S MUSICAL HISTORY

The music programme at Westview began when the school was opened in 1967. Music students enter this programme with one to three years previous experience gained at the Junior High level. Though initially a band programme of only thirty members, it has grown to include some 220 wind, string and choral students.

In addition to numerous school concerts and performances at local Senior Citizens' Homes, the Music Department has hosted several Music Teach-Ins, Choral and Band Festivals. The world famous Stan Kenton Orchestra has appeared twice at the school as guest performers and clinicians. The Phil Nimmons Orchestra of C.B.C. fame has also performed at Westview.

Our performing groups presently includes the Junior Band, Senior Band, Stage Band, Symphony Orchestra, Chamber Orchestra, Concert Choir, Chamber Choir, Starlettes Girls Choir and smaller ensembles. Many of these groups have performed at the Ontario Place Forum and in competition at the Kiwanis Music Festivals and the Canadian Stage Band Festival Competitions.

At Westview, music students have spearheaded musical productions such as the Great Canadian Uproar (1971), an original political farce centred around Pierre Truegrit, Kiss Me Kate (1973), and Anything Goes (1974). Broadway Musicals by Cole Porter were produced by some 27 staff members and 250 students.

Tours and exchanges have included a 23-day tour of the United Kingdom in 1970; a 16-day tour of Austria in 1973 as well as local tours to Timmins and South Porcupine, Ontario and Halifax, Nova Scotia.

Music staff at Westview Centennial Secondary School has been the following;

1967-1969 Michael J. Crosbie  
1969-1970 Michael J. Crosbie — Kenneth Jones  
1970-1971 Paul Miner — Paul Read  
1971-1972 Paul Miner — Greg Peters

1974-75 marked the first active Student Music Council in Westview's history. Council members assisted the Music Departments and Westview Music Supporters' Association in organizing Dances at the Falstaff Community Centre, '75 Jamboree at the Jane-Finch Mall, and Westview's \$2000.00 Lottery.

On their own initiative they created our first Monte Carlo Casino Night to assist in fund-raising for our Western Canada Tour.

## MUSIC DIRECTOR

PAUL MINER

Paul Miner gives his birthplace as Amherst, Nova Scotia, however he received his academic and musical education in Toronto. In addition to many years of piano training Paul also studied trombone while attending North Toronto Collegiate Institute. As a member of the Royal Canadian Naval Reserve he attended the Canadian Armed Forces School of Music in Esquimalt, B.C. and received his Commission in 1967 as a Director of Music. He assumed this position with the Band of H.M.C.S. "York" in Toronto.

Paul has taught choral, band and strings at both elementary and secondary school levels and with continued study with the Department of Education and York University he became Head of the Music Department at Westview in 1970.

In the five years since that time he has helped Westview to enhance its musical reputation through the bands award winning efforts at Kiwanis Festivals, and abroad via a trip to Austria in 1973.

Because Paul plays professionally, "so I'll know what's happening musically" as he puts it, he has a very active interest in stage band work. It is due as much to Paul Miner as anyone that the Canadian Stage Band Festival has become the outstanding event for young musicians that it is.

# MUSIC DIRECTOR

LESA DONSKOV

Lesa Donskov, nee Biloshysky was born in Carlsbad, Czechoslovakia but considers herself a native of Toronto, where she settled at the age of three.

Lesa's first love was ballet. She started serious studies at the age of six with Boris Volkoff and continued on at the National Ballet School.

By the age of thirteen, Lesa was performing professionally for numerous television and variety shows and as a Canadette at the Canadian National Exhibition Grand Stand.

At sixteen Lesa qualified as an Associate of the Cecchetti Method and was admitted to the Imperial Society of Teachers of Dancing Inc.

When her dancing was cut short by a back injury, Lesa decided to continue her academic studies and received her Bachelor of Music degree from University of Toronto.

Lesa began her teaching career at her alma mater Parkdale, then moved to Montreal where she taught at Chomedey Polyvalent High School and returned to the University of Toronto to earn her Master of Music Degree.

In the three short years that she has been at Westview, Lesa has given the school a string orchestra which beautifully compliments the bands of Mr. Miner, and choirs which rank with the finest in high school competition.

In both musicals, "Kiss Me Kate", and "Anything Goes", Lesa's coaching was very much in evidence in the 'professional' way in which the young singers and dancers performed.

# THE WESTVIEW MUSIC SUPPORTERS' ASSOCIATION

The Westview Music Supporters' Association was first formed to assist the Band in its many out of school endeavours and to aid them in purchasing uniforms, by a small group of interested parents in 1967. One of the first fund raising ventures was to help finance the Band on a tour of the Maritime Provinces of Canada. As a result of such an outstanding success of this tour and the wide acclaim received, it was agreed the students should see more of the world.

The students and parents have sold tons of chocolate bars, raffle tickets, dance tickets, lottery tickets and worked very hard at the annual Jamboree each year to raise funds so their children and friends could make these trips possible. i.e. United Kingdom Tour '70, European Tour '73 and now our Western Canada '75.

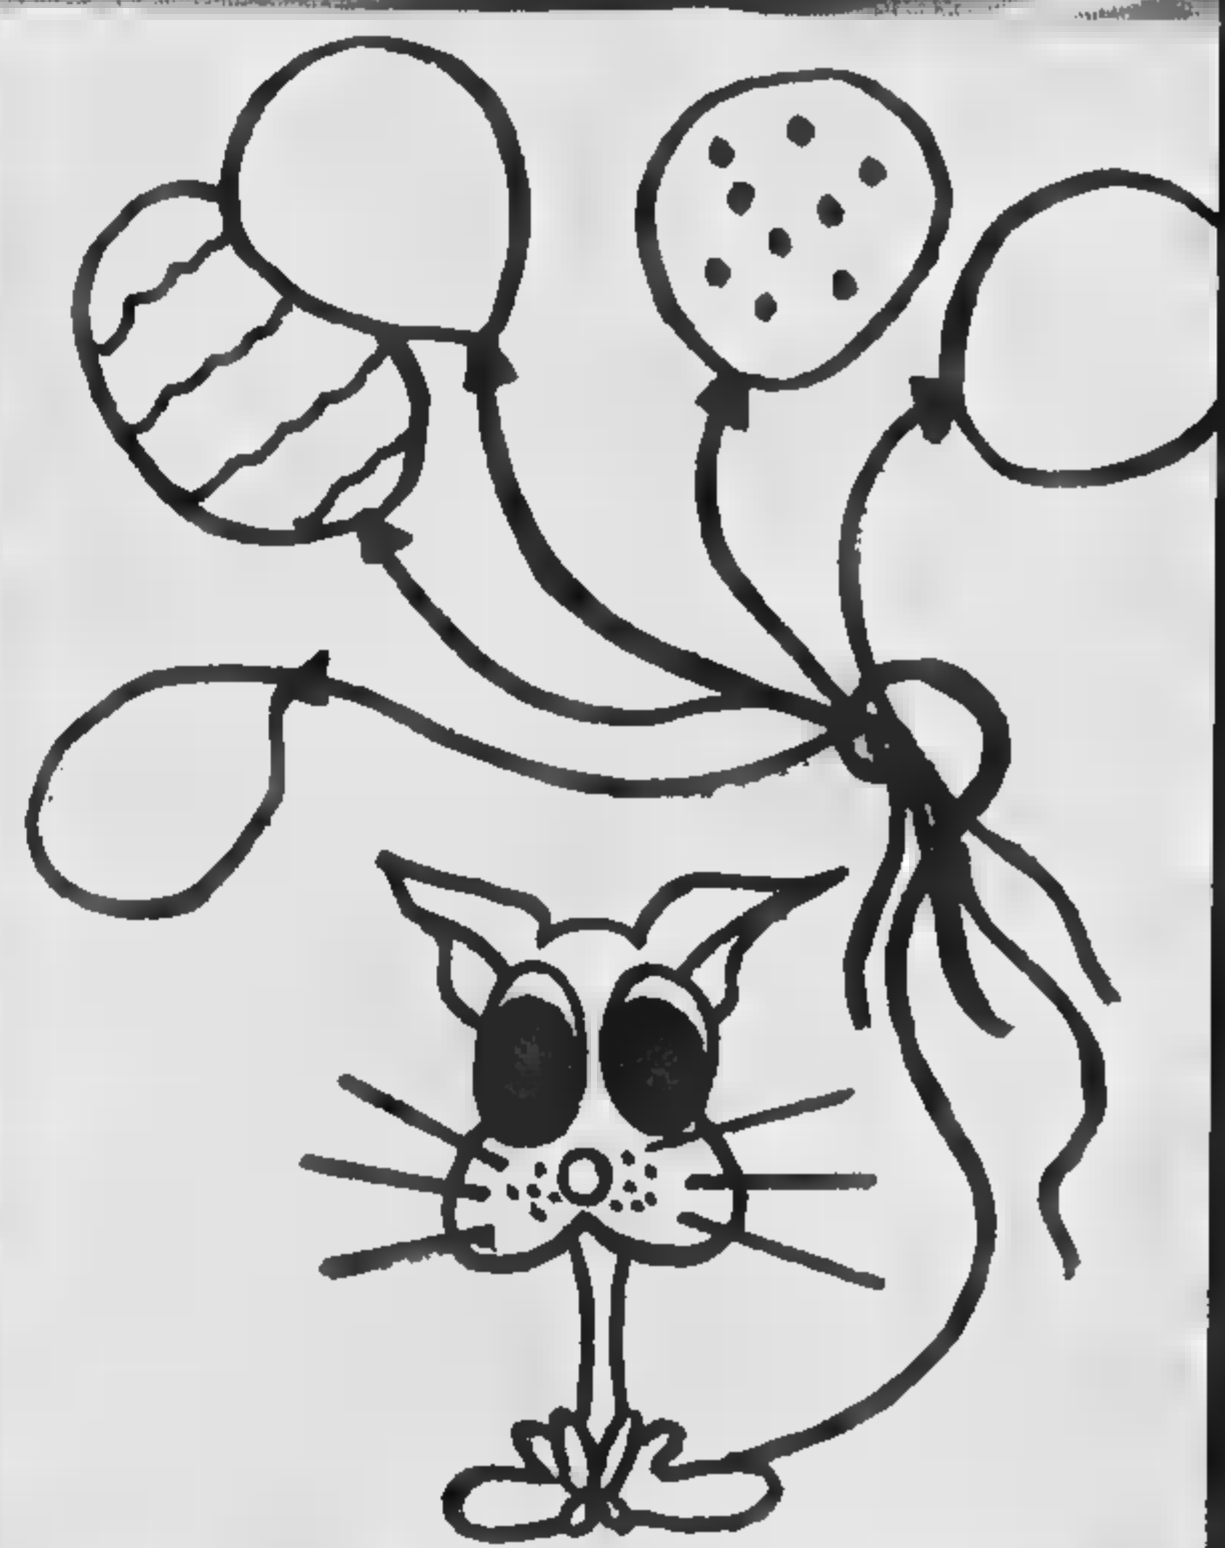

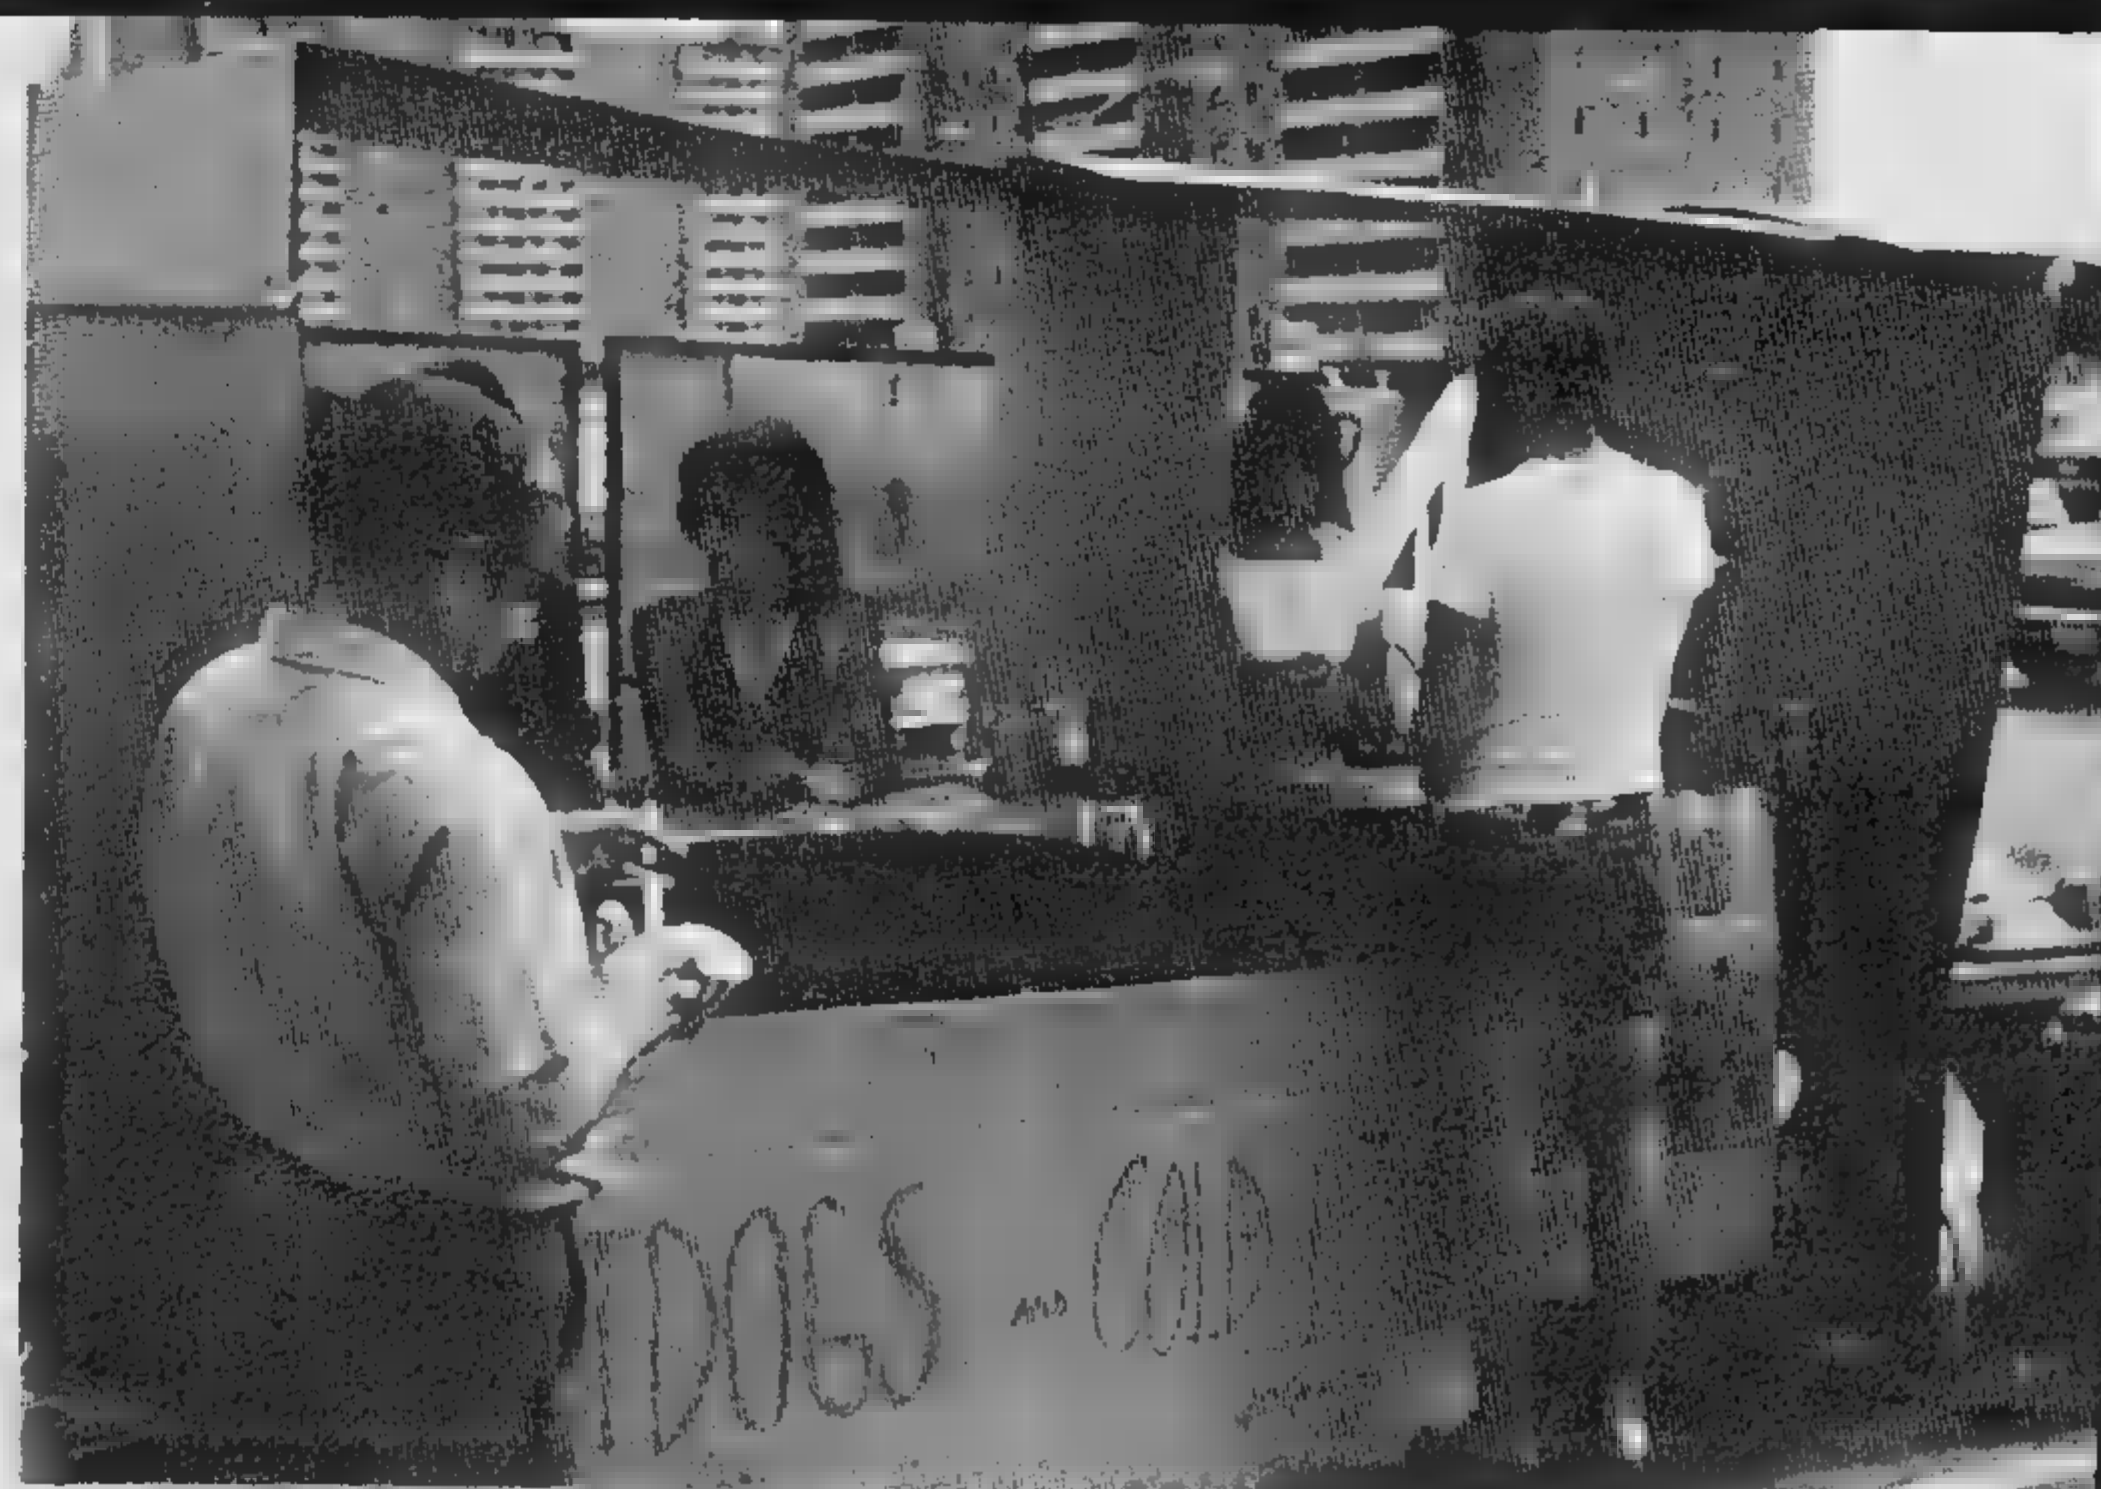

It is evident that the Music Programme activities would be very limited without the enthusiastic and dedicated work of its Supporters' Association. The Associations' financial successes are trying to make it possible for every individual member of the programme to participate fully in all musical activities and tours.

Many thanks to our past executive who have done a tremendous job for the last few years.

'75 JAMBOREE

**Sound of music, sound of man.**

Man *is* music. With runs and rhythms, he creates and recreates and shapes his spirit. With phrases and chords, he transforms his most fragile beliefs into messages so strong they can pass boldly on from generation to generation.

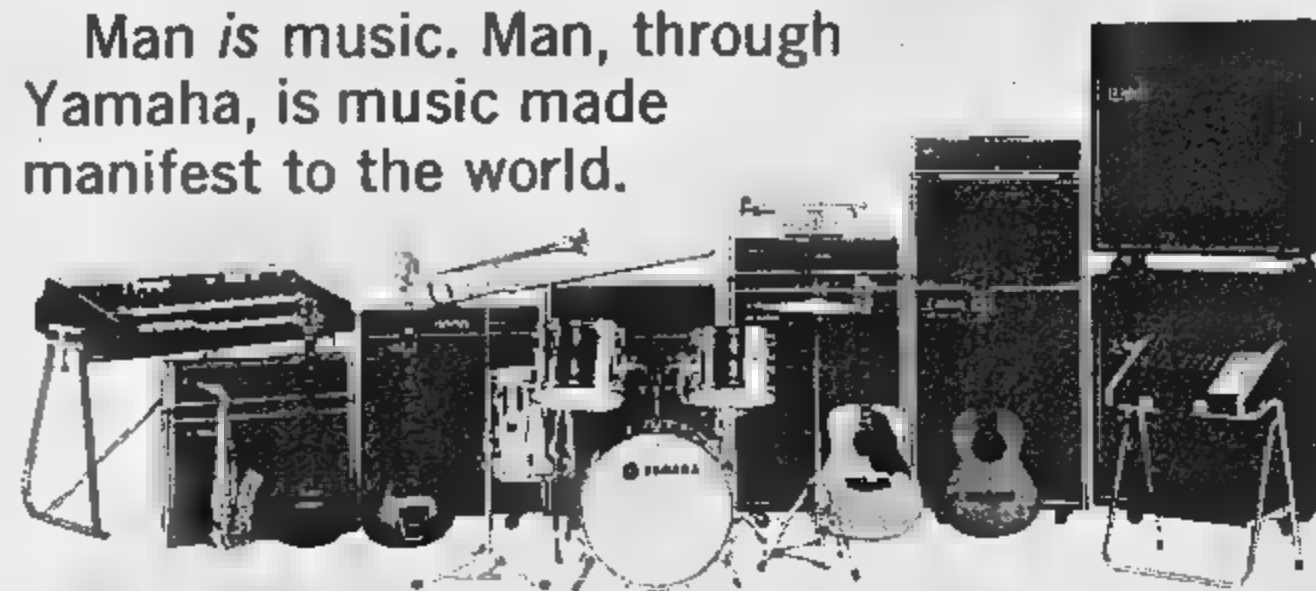

For three-quarters of a century, we—Yamaha—have been seeking to learn how best to express this music which is man. Through our pianos, drums and guitars, we have sought to produce the shimmering purity of tone which bridges most effectively the gap between man and man. With our mixers, amplifiers and combo organs,

we have sought to edit away the noise, to augment the means of expressing the innermost sounds of man's mind and soul.

Man *is* music. Man, through Yamaha, is music made manifest to the world.
